Dear Floretta

We loved your Bicentennial card last year - such a good picture of you and Harry. And here another Christmas is upon us - get closer, it seems, with every Passing Year.

Bill spent the month of March and into April in Colorado on another building project - Spent a month in New England and Pennsylvania enjoying the glorious leaf color and visiting relatives - Hope you and Harry have had a happy and healthy year. No doubt you are embarked on yet another Civic or Worth while pursuit - To think

our little blonde curly headed Floretta as the Mayor of Acadia!! but then I always knew with your friendliness and out going personality you would "go places" -

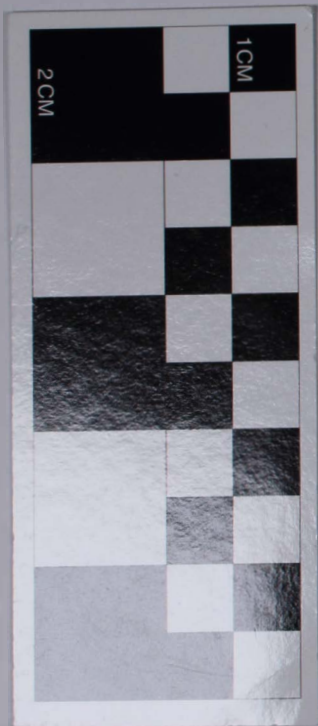

Merry Christmas

and a

Happy New Year

Wishing You Many blessings
Now and thru out 1978 -

FROM: EXECUTIVE BOARD

The City election will be held next Tuesday, April 11, at which three members of the City Council will be elected. The Executive Board urges all members of ARCADIANS FOR ARCADIA to cast their ballots for the candidates of their choice. Hopefully, the results of the Board's evaluation of the comparative qualifications that were communicated to all members on March 8 have been helpful in determining those candidates most deserving of support. We re-affirm our conclusion that election of three Council members from among the candidates listed alphabetically below will best serve the needs of our fine City and its residents.

CHARLES E. GILB
WILLIAM E. KUYPER
DONALD D. PELLEGRINO
JACK SAELID

At the Council meeting to be held on Tuesday, April 18, the three elected members will be sworn into office. Also at that time, Council Member Floretta Lauber will end her four year term.

ARCADIANS FOR ARCADIA, in collaboration with the Arcadia Chamber of Commerce, will hold a reception prior to the Council meeting of April 18 at which out-going Council Member Floretta Lauber will be extended appreciation for the fine services rendered to the City and the three elected members of the Council will be extended congratulations and best wishes for their services during their terms of office.

All members are urged to attend the reception which will be held:

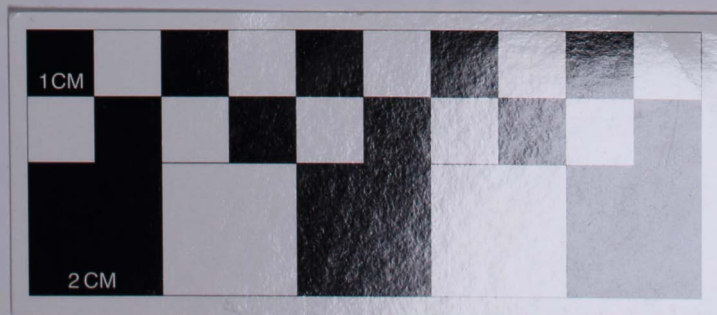

ON: TUESDAY, APRIL 18
5:00 - 7:00 P.M.

AT: CHAMBER OF COMMERCE BUILDING
388 WEST HUNTINGTON DRIVE

This occasion offers a splendid opportunity for our members to demonstrate their interest in our City government and to convey our appreciation for the services rendered by Council members to our great City.

Dear Flo:

My research indicates that Government Code Section 3627 of the Moscone Art which prohibited former public officials from contracting with the public entity with which they served for two years after they leave office, has been expressly made inoperative (but not repealed) by the passage of Proposition 9, and will remain inoperative until Proposition 9 is held unconstitutional.

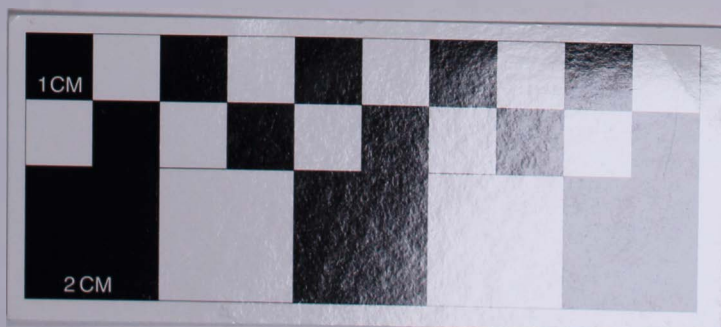

Proposition 9 contains no such prohibitions; therefore, in my legal opinion, you may not only deal with property in the Project Area, you may also legally contract with the Redevelopment Agency and the City.

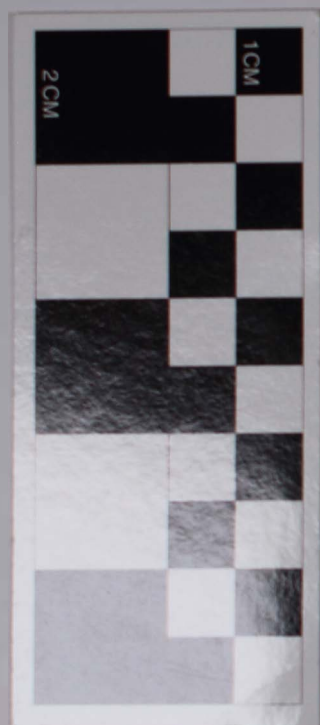

Best wishes.

Yours very truly,

Charles Liberto
City Attorney and
Redevelopment Agency General Counsel

Dear Floretta:

The Women's Club of Arcadia luncheon honoring the City Council and School Board was a great event in the life of Arcadia. I enjoyed your beautiful clubhouse, delicious lunch, interesting presentation about the presidents and great friendship. It was an afternoon to remember - a Centennial memory!

I want to extend my personal thanks to you for hosting the luncheon. Your hard work and commitment were evident, and made the event very special.

Arcadia is truly blessed to have volunteers like you. Thank you again for your dedicated service to our community.

Sincerely,

Gary A. Kovacic

P.S. Thank you also for the Women's Club booklet, which I am returning in this envelope.
